Community Fund reviews completed Joinder Applications in the order in which they are received. Joinder Applications and deposits must be received by Community Fund at least 5 business days before the end of the month (excluding holidays) to guarantee review before the month ends. Please do not submit partial Joinder Applications to try to meet our deadline; incomplete Joinder Applications will be returned to the sender.

Deposit checks drawn on personal or business accounts can take 5-7 business days after our receipt to clear. Please submit a bank check if the funds need to clear the sender's account before the last business day of the month.

Please contact our Trust Development Coordinators if you have any questions regarding Joinder Applications or deposits.
